

ARCHITECTS ONLINE REGISTRATION & LOG ON

The registration and log on process is straightforward and is not necessary for users who wish only to view and apply to the jobs on the site.

Those who do want to register can enjoy the enhanced features of Architects Online

To register or log on from the Architects Online Home page go to Log on at the bottom text link or to jobs on the left hand navigation.

Login/Register Details

User Name:

Password:

[Forgotten your password?](#)

Not registered? You can register now

The log on screen is common to candidates and company advertisers.

New users should register as a candidate or a company (advertiser)

Company Registration

Company Name:

Email:

Email (retype):

You will be emailed your password shortly

As is the registration screen.

Select a user name

You must provide a working email address.

A password will be emailed within a few seconds*

Once logged on Candidates and Companies see a different screen, but they are similar. In both case to proceed more information is required.

*If you do not receive an email quickly, try the 'forgotten your password' option. If this doesn't work, check your anti-spam software. In recent months many ISP's have adopted stringent anti-spamming filtering which sometimes blocks legitimate (albeit automated) emails. If you cannot retrieve your password call us on 0870 241 2143 or email us on info@architects-online.co.uk and we will give you the password.
